

# NORTHWOOD TECHNICAL COLLEGE

## ADMINISTRATIVE POLICY: I-401

### TITLE: Northwood Technical College Program and Course Credit

#### CROSS REFERENCES:

I-401A (Administrative Procedure – Northwood Technical College Program and Course Credit)  
WTCS Educational Services Manual

---

Northwood Technical College (College) acknowledges that the purpose of degrees and diplomas awarded are to prepare the learner for employment.

Associate degree and Technical diploma courses must be assigned credit and be approved by the Wisconsin Technical System Office before offering to students. Assignment of credits and programs will be based on standards discussed in the procedures. Program level courses are those courses designed to meet the requirements of the various programs offered within the Wisconsin Technical College System.

***Questions regarding this policy should be directed to the Vice President, Academic Affairs.***

Policy adopted: February 7, 2012
