

Immunization Requirements for EMS Programs

The following is a list of requirements needed for 30-531-3 Emergency Medical Technician, 30-531-6 Advanced EMT, 31-531-1 EMT-Paramedic, and 10-531-1 Paramedic Technician. Immunizations completed prior to starting classes. Students must submit an official record, such as WIR, or documentation from a clinic.

- MMR-Two vaccines or titer
- Tetanus-proof of booster within past 10 years
- Hepatitis B-Three vaccines or titer
- Varicella-Two vaccines or titer (*Some medical facilities will require the titer*)
- TB test-Two step skin test within the last 12 months or blood draw
- Influenza-Current proof of immunization (declination may inhibit ability to place for clinical rotation)
