

Youth Apprenticeship

Education to Employment

What are Youth Apprenticeships? Wisconsin's Youth Apprenticeships provide high school juniors and seniors with hands-on learning experiences in one or two-year programs.

As a student completing a Youth Apprenticeship program in high school, you are eligible to receive credit for prior learning at Northwood Technical College.

Benefits

- Explore career interests and master the skills valued by employers while in high school.
- Earn a paycheck while learning from skilled professionals.
- Improve future employability.

What does it mean for you?

Youth Apprenticeship programs **PAY YOU** to learn and it will **SAVE YOU** money when you receive credit for your prior learning at Northwood Tech.

Contact your school counselor to see if it is right for you.
