 UW Stout

Important Notes on Transferring:
 - Check out NorthwoodTech.edu/transfer for details on specific agreements listed below
 -The colleges listed above have developed a Technical Diploma to Bachelor Degree Articulation Agreement with Northwood Tech
 - To learn how your education, or previous college credits, will transfer, talk to a transfer coordinator, at any of the four year colleges listed, to learn how to maximize your credit transfer opportunities
 - Transferology, www.transferology.com, or Transfer Evaluation System (TES), may be helpful tools to assist your transfer process

If you have difficulty accessing this content or notice any accessibility problems, please contact the Northwood Tech Curriculum Office at curriculum.office@NorthwoodTech.edu or 715.788.7090. You will receive a response within 5 business days.

If you have completed previous credits that transfer into the more advanced program your costs may be less. Please speak with Northwood Tech staff if you have questions on how costs are determined. Tuition is an estimate and does not include any miscellaneous fees for various courses, tools, books, supplies or uniforms. Program book costs are in addition to tuition and fees and vary depending on course selection and where the books are purchased or rented. **Wage and employment data is compiled from the 2019 Northwood Tech or 2019 Wisconsin Technical College System (WTCS) Graduate Follow-Up Report wage data is derived from the wage data compiled through Economic modeling software (Emsi) based on the Northwood Tech county region and the SOC codes assigned through the WTCS. The wage data presented is a range from the 10th and 25th percentile earnings in December 2018 and may include the lowest wage level from the Northwood Tech or WTCS Graduate Follow-Up Report parent programs. Educational decisions should not be entirely based on the wage data presented as wages are subject to error and sampling bias. Some people may be hired at a lower or higher starting wage than what is reported here. Annual salaries, from Emsi data, are based on a 40 hour work week over 52 weeks (2080 hours).

Machine Tool Operation - CNC Pathway
