### NORTHWOOD TECH 2019 GRADUATES\*

Employed Within 6 Months 100%

## BEYOND NORTHWOOD TECH

### Bachelor's Degree

UW Stout

### Important Notes on Transferring:

- The college listed above has developed a Technical Diploma to Bachelor Degree Articulation Agreement with Northwood Tech (Bachelor Degree programs vary); other colleges may accept Northwood Tech credits upon a transcript review.

- The Transfer Information Systems (TIS) allows students to review which Northwood Tech courses could be accepted at UW Colleges. Review website for details: [www.wisconsin.edu/transfer](http://www.wisconsin.edu/transfer)

- If interested in continuing your education or transferring credits to other colleges, it is encouraged you talk to the Transfer Coordinator or Advisor at your transfer school as soon as you start thinking about the process.

If you have completed previous credits that transfer into the more advanced program, your costs may be less. Please speak with Northwood Tech staff if you have questions on how costs are determined. Tuition is an estimate and does not include any miscellaneous fees for various courses, tools, books, supplies or uniforms. Program book costs are in addition to tuition and fees and vary depending on course selection and where the books are purchased or rented.

\*Employment data is compiled from the Northwood Tech Graduate Follow-Up Survey Responses 2019-2020

# Machine Tooling Technics Pathway

## PATHWAYS TO NORTHWOOD TECH:

### START COLLEGE IN HIGH SCHOOL

Take dual credit or advanced standing courses in high school. To find out what courses are available at your high school, go to: [NorthwoodTech.edu](http://NorthwoodTech.edu) and enter "Advanced Standing/Dual Credit" in the search button. Click on "Advanced Standing/Dual Credit" and scroll down to review the Articulation Agreements. Additional opportunities may be available through AP courses, Online Programming, or High School Academies.
