

National Certification Exam

Results of National Nurse Aide Assessment Program (NNAAP)

| Year | # of Program Graduates | # Tested Written Exam | # Passed Written Exam | % Passed Written Exam | # Tested Skills Exam | # Passed Skills Exam | % Passed Skills Exam |
|---------------|------------------------|-----------------------|-----------------------|-----------------------|----------------------|----------------------|----------------------|
| 2019 | 386 | 414 | 299 | 72% | 376 | 301 | 82% |
| 2020 | 224 | 168 | 119 | 71% | 137 | 119 | 87% |
| 2021 | 280 | 244 | 204 | 84% | 221 | 197 | 89% |
| Total 3 years | 890 | 826 | 622 | 76% | 734 | 617 | 86% |

The difference in the number of graduates compared to number of students tested is a result of students taking the class as a prerequisite for other health programs, some of which do not require certification.
