## NOTICE OF INTENT TO APPOINT NORTHWOOD TECHNICAL COLLEGE DISTRICT BOARD MEMBERS

Notice is hereby given that applications are being accepted for **ONE** position on the Northwood Technical College District Board from individuals residing in the following regions of the Northwood Technical College District:

- **Region 1** (Ashland, Bayfield, and Douglas Counties, and portions of Iron County—*excludes Iron County towns of Mercer and Sherman*)
- **Region 3** (Burnett, Polk, and Washburn Counties)
- **Region 4** (portions of St. Croix County—*excludes portions of the city of River Falls and the village of Spring Valley*)

Equal consideration is given to the general population distribution within the Northwood Technical College District, as well as to the distribution of women and minorities within the district. According to the Wisconsin Technical College System, this has been interpreted to mean that members of each gender (male/female) must hold at least three positions on the District Board. If the district's minority population exceeds 6.5%, at least one minority must hold a position on the District Board. Northwood Technical College's minority population is 8.4% and one minority representative is currently serving.

Board members must live in the district and are selected for member positions (regions) based on the county in which they live, not the county in which they own a business. No two members of the Northwood Technical College District Board may be officials of the same governmental unit, nor may any district board member be a member of the school board which employs the School District Administrator member. No region will have less than one member and no more than four members on the District Board.
