CORE ABILITIES ASSESSMENT

The OTA program adheres to the WITC Student Code of Conduct. <u>https://www.witc.edu/sites/default/files/inline-files/fullhandbook17.pdf</u>

The WITC OTA student is held to the standards of conduct described in the AOTA Code of Ethics. http://www.aota.org/Practitioners/Ethics/Docs/Standards/38527.aspx

A way to provide feedback to OTA students is through the use of a **CORE ABILITIES ASSESSMENT.** OTA students are expected to abide by acceptable behavior, as defined by, but not limited to, the **CORE ABILITIES ASSESSMENT.**

Core Abilities are broad outcomes or skills that every graduate of the WITC OTA program is expected to achieve. These skills go beyond the context of a specific course or program and are the skills employers tell us they expect you to have. The OTA program has identified 7 Core Abilities that are necessary in every area of practice: Act Responsibly, Communicate Clearly, Learn Effectively, Think Critically and Creatively, Value Self Positively, Work Cooperatively, and Work Productively.

The Core Ability Assessment will be completed by OTA Instructors at mid- term of the first, second, and third semesters of core (514-XXX) programming. However, this assessment may be used at any time by an OTA Instructor or the OTA Program Director. If you receive more than 5 NY's you will immediately be placed on a growth contract. If deemed necessary, you may be placed on a growth contract for one or more NY that is inhibiting your professional behavior and/or performance. Poor performance on the Core Abilities Assessment may jeopardize completion of the OTA program and may be grounds for dismissal from the OTA program.

Evaluators: Use the scale below (E, A, NY) to indicate student performance. Each Core Ability has several indicators representative of each CORE ABILITY. For each indicator, please circle E, A, NY. Choose the rating that best describes student performance. Please write comments in the "strength" and "areas of growth" boxes to further describe student performance. Each E and NY must have a comment. Sign and date the last page.

Students: Discuss the Core Ability Scoring with your Evaluator(s). Reflect upon the process and information you have learned. Document your reflection in the "reflection" section. Write at least 2 goals indicating your plan of action regarding core abilities and your performance. Submit your reflection and goals to your OTA Academic Advisor. If you have been placed on a growth contract, submit the reflection and goals to the OTA Program Director for review and set up a future meeting.
