

Is the pandemic sending your education on a detour?

- *Have you found yourself at home realizing that your plans for a four-year college may be off track?*
- *Spend a semester or two at WITC, earning **credits that will transfer to your university** when you are able to be back on campus!*
- *Tuition at WITC is roughly **half the cost** of public four-year schools!*

Call Megan Davis
your local Career Specialist
and find out how you can
experience success!
