

Rabies Vaccination Requirement for the Veterinary Technician Program

The following is the requirement information needed for the vaccination against rabies. Students must submit an official record, such as the Wisconsin Immunization Registry (WIR), Minnesota Immunization Information Connection (MIIC), or documentation from a clinic.

Vaccination Required:

- Rabies – three vaccinations
 - All three vaccinations against rabies will need to be completed prior to the start of the first fall semester when students have live animal use (10091100 Animal Care and Management)
 - The vaccination against rabies is a three-vaccination sequence.

Insurance Information:

Please talk to your healthcare provider about your insurance coverage. If any documentation is needed by your healthcare provider, please contact Dr. Julie Hansen, Program Director at julie.hansen@northwoodtech.edu or 715.246.1847.
