

Nursing-Associate Nursing Program

Register for Campus Informational Session

Once you have applied to our Pre-ADN program or while you are considering applying, Northwood Tech recommends you get more information before proceeding. Please contact the Admissions Advisor on the campus you wish to apply to and learn more about attending an Information Session or setting up a time to meet with the campus Admissions Advisor.

[Register Now](#)

The live presentations simply go over the online information but have the benefit of being able to ask questions of the meeting host.

Register for a Campus Informational Session

Informational sessions will be held upon demand.

- Discover program information.
- Learn how the admissions process works.
- Review the variety of available financial resources

You may also call your local Northwood Tech campus for information regarding the ADN Information Sessions at 800.243.9482.
