☐ New Agreement ☒ Revised Agreement – Original Date **01/01/2016**

This Articulation Agreement (“Agreement”) dated 8/16/19 between The Board of Regents of the University of Wisconsin System, d.b.a. the University of Wisconsin-Green Bay (“UW-Green Bay”), and Wisconsin Technical College System supersedes all prior agreements for the Program named below.

Introduction and Rationale:

In accordance with the University of Wisconsin System guidelines for articulation agreements between UW System Institutions and WTCS (Wisconsin Technical College System) Districts, this Agreement will allow required coursework taken in the Early Childhood Education Program at any WTCS Institution to transfer and satisfy requirements within the Professional Program in Education at UW-Green Bay.

The purpose of this Agreement is to provide a seamless transfer process for students from a WTCS Institution who desire further education to enter UW-Green Bay. The coursework and practicum experiences completed through the AAS degree create a strong foundation for students wishing to pursue a bachelor’s degree and/or obtain a Wisconsin Teaching License issued through the Wisconsin Department of Public Instruction.

Conditions:

The terms of this Articulation Agreement apply only to WTCS students who successfully complete the Early Childhood Education Program, meet the admission requirements for UW-Green Bay, and have met all application requirements to the Professional Program in Education.

The terms included in this agreement apply to students that started an AAS degree program in Early Childhood Education (ECE) within the WTCS beginning in or after August 2006 (following the revised WTCS statewide ECE core curriculum).

Students are required to successfully complete all UW-Green Bay degree requirements to earn a UW-Green Bay degree. Students may also complete certification requirements for endorsement of a teaching licensing in Early Childhood through Middle Childhood Regular Education (ages 0-11).

Articulated Courses:

Students who successfully complete the Early Childhood Education program at any WTCS institution and meet the admission requirements of UW-Green Bay will transfer at least 48 credits towards the Bachelor of Science Degree, Education major. Courses will be assigned by block equivalency as listed in the table below.
