| COLLEGE: <a href="#">NORTHWOOD TECHNICAL COLLEGE</a>  |                     | TECHNICAL DIPLOMA PROGRAMS    |    | (note: prints on legal size paper)           |                                   |   |
| Some Technical Diplomas have been added that we don't directly admit into, but have been included in the event of an academy or other situation.  |                     |                               |    |  |                                   |   |
| Social science is the field of study concerned with society and human behaviors. "Social science" is commonly used as an umbrella term to refer to a plurality of fields outside of the natural sciences. |                     |                               |    |  |                                   |   |
| These include: anthropology, archaeology, criminology, economics, education, linguistics, political science and international relations, sociology, geography, history, and law.                          |                     |                               |    |  |                                   |   |
